What

Starting with the June Nebraska Income Tax Withholding Return, Form 941N and Nebraska Reconciliation of Income Tax Withheld, Form W-3N, filed with the Nebraska Department of Revenue (DOR) by July 31, 2023, you are mandated to electronically file and pay all income tax withholding due.

Why

In 2010, the Nebraska Legislature passed Neb. Rev. Stat. § 77-1784 authorizing the Tax Commissioner to mandate:

- Electronic filing of all tax programs, including income tax withholding returns;
- Electronic payment of income tax withholding for taxpayers with annual payments exceeding a threshold amount of \$5,000; and
- A \$100 penalty for noncompliance in all tax programs, except individual income tax.

The Tax Commissioner has phased in threshold amounts over time to provide enough notice for taxpayers impacted by the mandates. **Your payments exceed the current threshold of \$5,000, so you are required to file and pay electronically beginning July 1, 2023.**
