Important — Please Read

This booklet contains the annual reporting forms to be completed and filed with the Nebraska Department of Revenue (Department) by any nonprofit organization which held a Class I bingo license in Nebraska during the period July 1, 2022 through June 30, 2023. The [Nebraska Bingo Act](#) requires the organization to make a complete, true, and accurate accounting to the Department on an annual basis of its bingo gross receipts. **A copy of the report must also be submitted to the organization's membership.** The report must be filed on the reporting forms provided in this report, and must include:

- an accounting of the organization's bingo gross receipts;
- the amount awarded in prizes;
- the value of donated prizes;
- lawful purpose usages of any bingo profits; and
- a breakdown of expenses.

All parts of the annual report must be completed and filed with the Department by August 15, 2023. If the organization does not intend to renew its bingo license, a final report must be filed within 45 days from the expiration date of the license. **In addition, a bingo revenue status report is required to be filed each year by August 15 until all profits from the conduct of bingo have been disbursed.** Instructions for completing each section of this report are printed on each form. Failure to file a complete, true, and accurate report or not filing the report by the due date are violations of the Nebraska Bingo Act and may jeopardize an organization's eligibility for license renewal and/or result in an administrative fine up to \$1,000.

If you award coupons redeemable for bingo paper or hard cards as bingo or promotional prizes, the fair market value of that paper or hard cards must be recorded on line 1c, 3b, and/or 15b. The fair market value (selling price) of coupons redeemable for bingo paper or hard cards awarded as a bingo or promotional prize must be included in the bingo gross receipts and is subject to the bingo tax.

Before filing the annual report, please perform these procedures to ensure accuracy.

1. Reconcile Bingo Receipts to Bank Deposits

- A. On page 1, subtract line 2a from line 1d to determine the amount of cash which should have been available for deposit.
- B. On page 2, add line 13 to line 7, and subtract lines 12 and 14 to find bank deposits from bingo sales for the period.
- C. Compare the amounts found in steps A and B above. Attach a written explanation for any significant discrepancies, and enter the amount as an adjustment on line 16, page 1.

2. Reconcile Bingo Expenses and Lawful Purpose Disbursements to Bank Disbursements

- A. Add lines 2b through 16 (excluding lines 2d, 3a, and 3b) of page 1 to lines 5 and 15 of page 2 to determine the amount which was used for bingo expenses, lawful purpose disbursements, and other expenditures. If any adjustment was made on line 16 for overages or shortages, it should not be included in this calculation.
- B. Compare the amount found in step A above to line 10 of page 2. If there is a significant discrepancy, review your records and correct the annual report.

3. Compare Bank Balances

Make sure that the July 1, 2022 beginning bank balance is the same as the June 30, 2022 ending bank balance from the previous annual report. If there is a discrepancy, please attach a written explanation.
