2019 Tax Amnesty Program Report

In 2004, the Nebraska Department of Revenue (DOR) conducted a tax amnesty program pursuant to [Neb. Rev. Stat § 77-5601](#). Taxpayers were given an opportunity to apply for tax amnesty and pay all unreported taxes that were due before April 1, 2004. The Department of Revenue Enforcement Fund (Enforcement Fund) and the Department of Revenue Technology Fund (Technology Fund) were created as a part of this program. The Technology Fund was terminated on July 1, 2006. The Enforcement Fund is now supported by collections resulting from DOR’s subsequent enforcement efforts. DOR employs auditors and examiners necessary to carry out enhanced enforcement efforts. The collection amounts in this report are due to the efforts of the positions funded by the Enforcement Fund.

In accordance with the filing and reporting requirements outlined in Neb. Rev. Stat § 77-5601, DOR submits this report on the results of the Tax Amnesty Program and subsequent enforcement efforts.

1. No proceeds from the Enforcement Fund were used to hire new positions in 2019.
2. No proceeds from the Enforcement Fund were used to purchase new technology items in 2019.
3. In 2019, \$10,088,710 in delinquent tax revenue was collected from DOR’s subsequent enforcement efforts.
